

BROCKET HALL

WEDDINGS ON THE
BROCKET HALL ESTATE

Three Perfect Locations...

Thank you

We are delighted that you are considering the Brocket Hall Estate for your forthcoming wedding or celebration.

Since the 18th Century Brocket Hall has been one of the most fashionable and romantic estates for weddings, grand celebrations and many private occasions. Located just outside London, the magnificent 543 acre parkland offers superb views over the Broadwater lake and two of the finest golf courses in England.

In addition to Brocket Hall, the stately home, which is available on an exclusive use basis only, there are two other venues for you to consider for your wedding or special occasion:

Brocket Hall Golf Club & Auberge du Lac Restaurant

Each of our venues are available for civil ceremony weddings, receptions or indeed any special occasion and each offers its own privacy.

The Brocket Hall Estate history is full of exciting incident, glamour and intrigue, with a sense of drama you can feel when entering through the wrought iron gates.

The wedding packages enclosed are designed to incorporate all the traditional elements to make a superb occasion, with our Event Personnel offering a wealth of experience. Full contact details are shown beside each venue to enable you to make immediate contact within your chosen venue.

We look forward to helping you plan your Special Day.
